Challenge Canvas

Customers/Users Directly Impacted: <i>Who reported the challenge, issue, or opportunity and is obviously impacted?</i>	Who Else? <i>Who else cares or might be impacted by this?</i>
When does this challenge happen? <i>When do the impacted parties experience this challenge?</i>	Alternatives: <i>What are the users doing now to deal with the challenge?</i>
Impact: <i>What data, processes, policies, and systems are related to this challenge?</i>	
Consequences of Doing Nothing: <i>How would we know we have this challenge solved for?</i>	Potential Solutions: <i>What ideas have been discussed to address this?</i>
Vision of the future? <i>What do we envision the future looking like?</i>	Measurements of Success: <i>How would we know we have this challenge solved for?</i>
